- **SNOW UPDATED Schedule** - The Campus Community School lottery will be held on Tuesday February 2, 2016 at 1:00 PM at the school.
- Random lottery numbers will be assigned to each family (which had students apply during the lottery period) on 2/2/16, but the school will not be able to immediately determine if an open spot is available based on the assigned lottery number.
- From February 3, 2016 through February 8, 2016, the school staff will determine which openings are currently available and which students will be offered admission based on the student's lottery ranking.
- On February 8, 2016 CCS will start to notify families of the students for whom we have openings.
- The notification process is an ongoing process and will continue as we have vacancies become available. This process continues into the summer months and the beginning of the applying school year.

For additional details, please see the Admission Policy and Lottery/Enrollment Procedures, which can be found under the Admissions/Apply tab on our website.
