

Dear Parents,

Below is the calendar for the rest of the year. The work to be turned in is listed at the bottom. You can return work at packet drop off, email it to [linda.wooleyhand@ccs.k12.de.us](mailto:linda.wooleyhand@ccs.k12.de.us) or send pictures through remind.

I will be teaching reading groups twice a week through Zoom. I will offer 3 time slots each day and you can sign in to whichever one fits your schedule. I will also be doing a final assessment of sight words. I will send a sign up genius for you to choose time slots. If you come to a Zoom class you will have no reading work for that day. If you cannot attend a Zoom class you must complete the workbook pages on your own at home. The recordings can be found at Superkids Online Fun and the directions for each page are written on the side or bottom of the page in small print.

The rest of the work will be done at home. Mrs. Raney will be sending a sign-up genius for anyone who wants individual help or wants to chat. Sign up for a time and she will send a zoom link. You can also continue to email me or send questions through remind.

Finally, I have included **enrichment activities** if you feel your student needs extra practice. These are optional practice activities that you can choose to do or to skip. They do not have to be returned to school.
