other (explain) _____

Campus Community School is a tuition free public charter school serving students in grades 1-12. As of August 2012, CCS will reconfigure to serve students in grades K-8. The school maintains high academic standards and follows a social constructivist teaching philosophy. Students learn through their own involvement and explorations.

Parent participation is expected and considered essential to the success of students and to the mission of the Campus Community School.

In signing this application I give CCS consent to obtain Delaware State Testing Program/DCAS results, any academic records including, but not limited to, special education records if applicable and all disciplinary history from the sending school(s) for the purpose of placement.

If a student is not promoted a new application must be submitted for the correct grade level. If this occurs after the lottery, that student will be placed at the end of the waiting list of the correct grade level.

It is the policy of Campus Community School not to discriminate against any individual on the basis of race, color, religion, national origin, sex, age, disability, in matters of admissions or services in the educational programs or activities it operates, in accordance with civil rights legislation and Campus Community School commitment.

I attest that the above information is correct and I understand that if the above information is incorrect the application and enrollment becomes null and void.
